

Christ Together Triad Partnership

How are we going to accomplish what we believe God is leading us to do together? We need every church at this common table committed to reaching EMWC participating. Our goal is 100% participation. We want to move from a few churches shouldering the vision for the Triad, to all churches shouldering the vision for our region.

What to Expect from Partnering Churches

Our desire as a Christ Together partnering church or missions organization is to be a mobilizing and multiplying expression of the Church for the gospel saturation of our cities. We are also committed to collaborate with other like-minded churches in our city, region, and nation to accomplish the shared mission to consistently demonstrate and communicate the gospel of Jesus Christ to every man, woman and child.

As a Christ Together partnering church we are committed to the shared outcome of Gospel Saturation, and the following 4 priorities:

Mobilization:

We will identify and take responsibility for the lostness of our Circles of Accountability (personal, church, & city) to ensure that every man, woman, and child has repeated opportunities to see, hear, and respond to the Gospel of Jesus Christ.

- **(Every church has a defined Circle of Accountability - COA)**

Transformation:

We will define, implement and measure our church disciple-making process to ensure that everyone within the church can grow in their relationship with Christ and be equipped to live on mission with Jesus and own the lostness of where they live, work, learn and play.

- **(Every church has defined what a disciple is, has a plan for making and multiplying disciples, and a commitment to measure how well we are doing)**

Collaboration:

We will collaborate with other gospel-focused expressions of His church for the Gospel Saturation of our place by consistently gathering to pray, learn from one another, be accountable, and act together as One Church with this One mission.

- **(Every church is willing to participate in citywide initiatives to engage and bless our city)**

Multiplication:

We will resource and prioritize the multiplication of disciples, leaders, and new churches as a necessity for giving greater access to the Gospel for the full saturation of our cities.

- **(Every church is committed to planting new churches together for the full evangelization of our region)**

Steward:

- We will invest a percentage of our leadership (10% of our time to a city-reaching vision), and 1% of our budget (up to \$1000 per month) to advancing the mission of Christ Together locally.
- CT Triad will give 10% of our collective budget to CT National as a way to partner for ongoing mission to help plant more cities.
- Additionally, some churches may desire to fund the national vision through the Christ Together Fellowship.
